She listened so intently, checked up on everything I could possibly be allergic to (i have loads of allergies!) & made me look absolutely ready to marry the man of my dreams! My whole bridal party had their makeup done by Lucy too and my goodness didn’t they look blooming gorgeous! The makeup lasted all day and the trial was so chilled and relaxing. “Lucy did my wedding makeup & she did an incredible job! Lucy is very friendly & a lovely person to be around on your special day. Everyone commented on how beautiful my makeup was and she made my bridesmaids and I feel so pretty! I’m not someone that normally wears loads of makeup and she perfectly fulfilled my brief of making me look natural but glam. Thank you again!”

“Where to begin with how amazing Lucy is! First of all she is brilliant at nails, the best in the business! Myself & bridesmaids had a relaxing prep day prior to the wedding getting our wedding nails done. My mother in law & I had a makeup trial with Lucy where she really listened to our briefs & altered our looks depending on what worked and didn’t. Lucy made us feel comfortable & we could be totally honest with her. On the day she was very organised, so friendly & created a calm atmosphere. She stayed to the last minute making sure our makeups were all perfect before show time. I can’t thank her enough for how beautiful we all looked on the day. I would definitely recommend Lucy to any bride & will continue using her professional services. Thank you so much!”

“Along with my bridal party, I was fortunate to have Lucy as my wedding makeup artist, and she was amazing! She took the time to understand my style through a couple of trials, helping me find the perfect look since I don't usually wear much makeup. On the big day, the whole process was calm and stress-free, and my makeup turned out beautifully—exactly what I wanted. I couldn't recommend her more. Thank you, Lucy, for making me and my bridal party feel so beautiful and confident. You truly made the day unforgettable!”
